2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Continuation of 4(e) Other: Claims 4-24 are all identified as new claims. These claims were present in the amendment received 12 May 2006. They should be identified as (Previously presented) if there has been no amendment to the claims. Claims that are amended from what was previously presented should be identified as (Currently amended). Only claims which have not been previously presented should be identified as (New). The currently presented amendments to claims 7-10, 23 and 24 does not reflect what was presented in the amendment dated 12 May 2006. For example, claim 7, line 3, after "container" is the term "labeled". This term was replaced by the term "provided" in the amendment of 12 May 2006. In that amendment, at line 4, "identify" had been replaced with "provide". These examples are not exhaustive, there are multiple examples of such inconsistencies in claims 7-10, 23 and 24 .
